ELECTRIC QUARTER

IT'S ELECTRIC

An eye-catching new development. A thriving neighbourhood. A completely new community. No wonder there's such a buzz about the new Electric Quarter in Ponders End, Enfield.

Electric Quarter is a collection of contemporary 1 and 2 bedroom homes, available now via shared ownership. It's your chance to get on the housing ladder in a prime location, with easy access to the centre of London in one direction and open countryside in the other.

Behind your smart, red brick exterior you will find a fitted kitchen, elegant bathroom with ceramic wall tiling and attractive, open plan living area. The large windows create a wonderful sense of light and space. This is a home to be truly proud of.

The borough forms a major part of the Upper Lee Valley, a designated Opportunity Area in the Mayor's London Plan. Enfield Council, regional and central government all support the vision for more housing and jobs in the area through targeted and sustainable expansion.

Enfield has all the advantages of being an outer London borough, with green spaces and vibrant town centres, while also having some of the best transport links in London.

It is one of the greenest boroughs in the capital with 130 public parks and open spaces. It also has a rich heritage with 22 officially recognised Conservation Areas, three theatres and 17 libraries. Enfield is a diverse and inclusive borough, with a thriving cultural scene.

ENFIELD'S NEW URBAN COMMUNITY

WITH BEAUTIFUL NEW HOMES, LOCAL SHOPS AND SCHOOLS, EVEN AN ARTS HUB

New homes are just the beginning. The new Electric Quarter community has been created to offer everything you need on your doorstep. From handy shops, restaurants and cafes to workshops, studios, offices and a mosque. A new library and arts hub are also planned. All set within beautifully landscaped grounds.

FEEL THE ENERGY

IN PONDER'S END, LONDON'S NEXT PROPERTY HOTSPOT

GREEN SPACE

This is a charming part of London where Victorian industrial heritage dissolves perfectly into grassy fields and open water. Whether taking a stroll along the banks of the river Lee or exploring the country villages of Hertfordshire and Essex, you're never far from a green space. In fact the nearest playing fields are just down the road.

SPORTS & LEISURE

This area hosted many events during the 2012 London games and the local legacy can be seen to this day. The Lee Valley Leisure Centre offers excellent golf and athletics (not to mention a cinema). There are local gyms, swimming pools and football pitches. Stratford is nearby, with all its sports facilities, including the chance to swim in the famous London Aquatics Centre.

EAT & DRINK

This is an area that buzzes after dark. From traditional London pubs to fashionable bars, there is an ever growing number of nightspots to discover. You'll be spoilt for choice with restaurants too. Whether you're after a quick takeaway, a delicious vegan meal or a romantic dinner for two, you have a great selection on your doorstep and in the surround area.

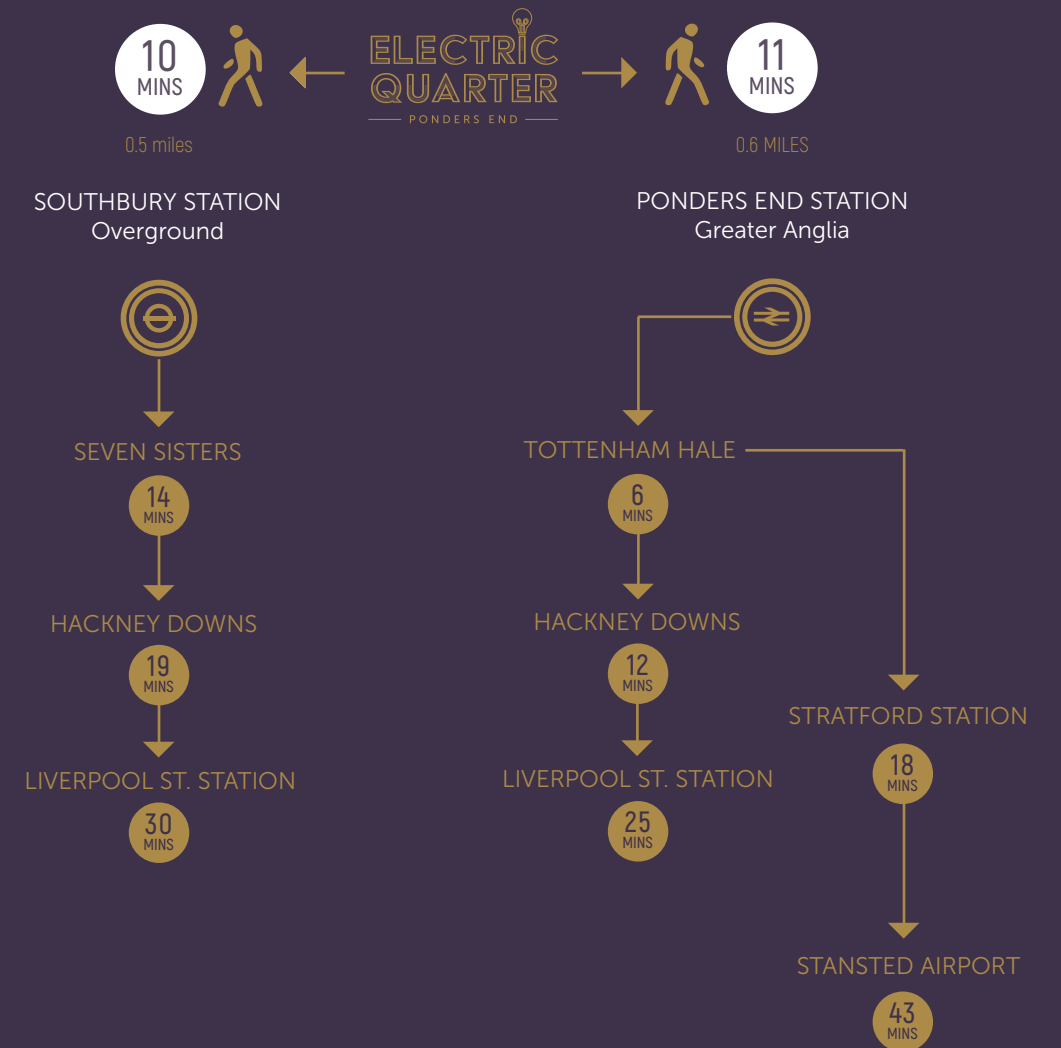

SHOPPING

As well as shops within the Electric Quarter itself, you have the High Street just down the road. And, when you're after some serious retail therapy, head for Westfield in Stratford. One of Europe's most impressive shopping spaces it offers every store from Accessorize to Zara, including a John Lewis, Marks & Spencer and T K Maxx. It's a great place to visit for a night out too.

ELECTRIC QUARTER

WELL CONNECTED

GREAT CONNECTIONS WHEREVER YOU GO

Rail connections from Ponders End to London Liverpool Street take 25 minutes. Journeys from Southbury are only a few minutes longer.

It's also handy for buses, with routes that take you across North London. Or take to your bike – it's a great way to explore the local waterways as well as get to where you're going.

The A10 is handy and gives you great connections to the North Circular and M25. Then, when you want to travel further afield, London City Airport is easy to reach.

HOW DOES SHARED OWNERSHIP WORK

Shared Ownership is a housing scheme which has been designed to help homebuyers who are unable to afford the cost of buying a property outright on the open market, allowing you to purchase a share in a new home and pay a subsidised rent to the Enfield Council on the remaining share along with a monthly service charge. It is governed by the Greater London Authority in London.

To be eligible for a Shared Ownership home, you must:

- Be at least 18 years old
- In London, your annual household income must be less than £90,000
- You should generally be a first time buyer, i.e. you don't

already own a home. If you do already own, you must be in the process of selling it

- You should not be able to afford to buy a home suitable for your housing needs on the open market
- You must be able to demonstrate that you have a clean credit history and can afford the regular payments and costs involved in buying a home.

YOUR HOME, ENFIELD

Enfield Council has set a new agenda with energy and determination, working to deliver a lifetime of opportunities for all of its residents.

We are investing more than £1bn in more and better homes to create a fairer borough by delivering a more balanced housing market so more people can access a good, affordable home.

Ours is a housing building programme with social purpose. This means we reinvest all of our surplus revenue from Council-led home sales into future housing and community investment.

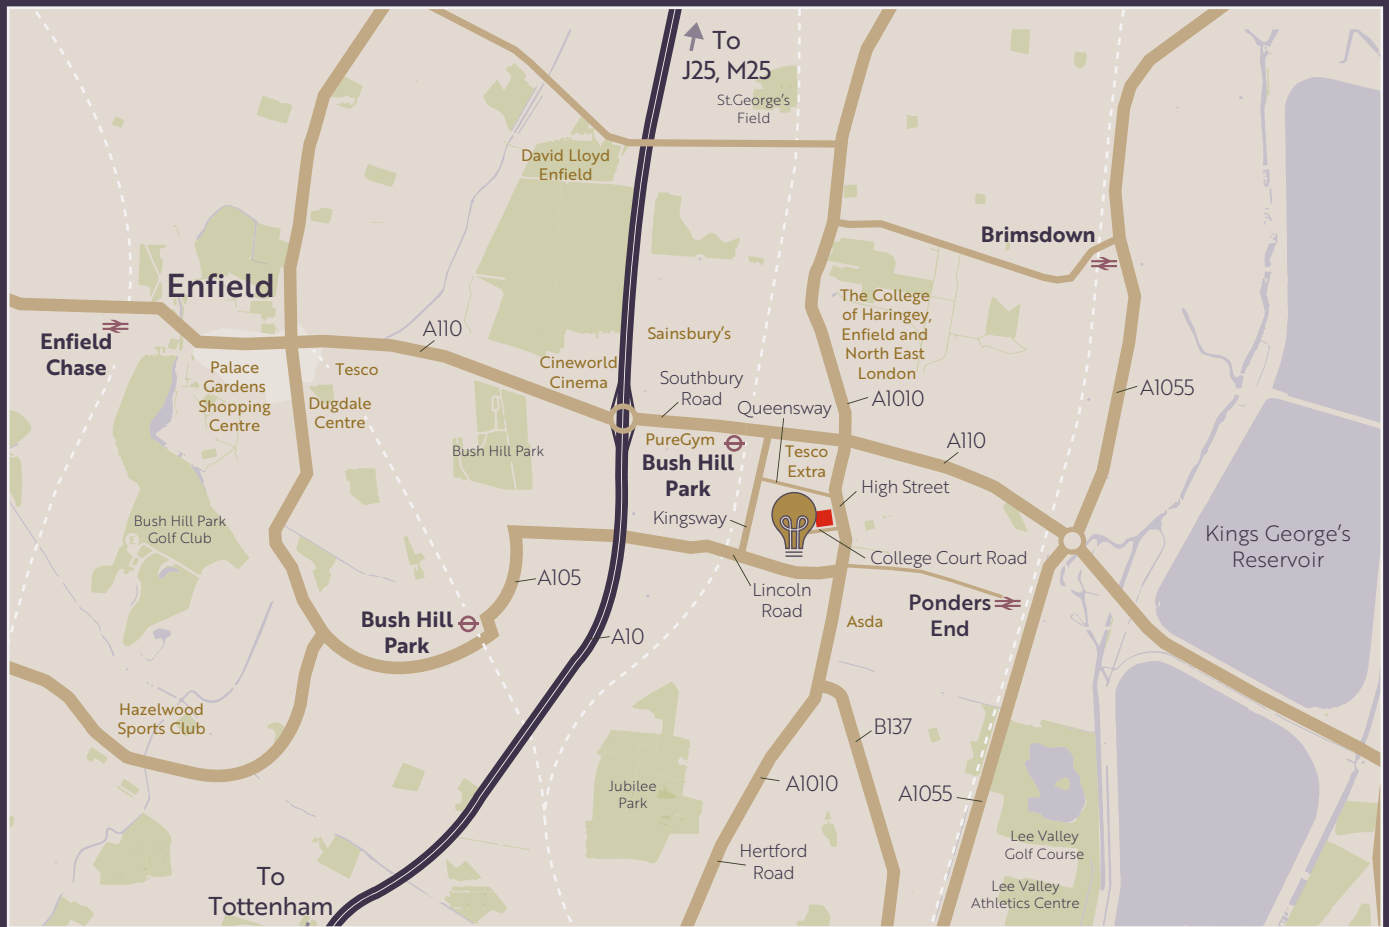

So, when you buy an Enfield Council-led new build home, you become a contributor to our house building programme and your future local community.
