A NEW COLLECTION OF 1 & 2
BEDROOM HOMES IN THE HEART OF
WALTHAMSTOW

Welcome to the Jazz Yard, E17.

Named after the 'Jazz Service' that ran from Liverpool Street to Chingford in the 1920s. The service was dubbed the 'Jazz' by a local newspaper and the nickname stuck right through until the end of the steam train era.

Now's the time to make tracks for the Jazz Yard. It's your opportunity to own a stunning new home in an exciting new development.

TRUMAN'S SOCIAL CLUB, WALTHAMSTOW

JAZZ YARD E17 WALTHAMSTOW

Jazz Yard is part of a vibrant new neighbourhood offering one and two bedroom apartments for sale, complete with health centre on the ground and first floors and 20 homes for social rent. Its architecture catches the eye for all the right reasons. A mixture of textured, glazed and coloured bricks creates a signature look while generously proportioned balconies add an extra touch of style.

Residents will benefit from a brand new communal podium roof garden with play zones, relaxation areas and landscape gardening. There are views over the soon to be completed, linear park adjacent to the development. And you won't have to wander far beyond the development before you come across the abundance of green open spaces in the local area.

Take a stroll through the Lea Valley and Walthamstow Wetlands, both 0.9 miles and within walking distance of your front door at the Jazz Yard. Lea Valley Park offers acres of parkland, sports and activities. Whether you're after a quiet day's fishing or a pulsating afternoon of white-water rafting, all within easy reach of your front door.

LEA VALLEY, WALTHAMSTOW

Explore Walthamstow Wetlands, the largest urban wetland reserve in Europe. It's a wonderful mix of reservoirs, walking trails and wildlife sanctuaries. Enjoy a picnic by the water, a leisurely walk, with binoculars at the ready, for spotting the local wildlife from an observation platform.

Jump on your bike and discover the Mini-Holland cycle and walking routes connecting Walthamstow to the Wetlands and Lea Valley Park. Part of the London Mayor's Healthy Streets Approach, it aims to make the borough more cycle-friendly. The scheme also includes the creation of new public spaces with seating, trees and flowerbeds.

This is a part of the world with more than its fair share of natural beauty. You don't have to travel far before you get to Walthamstow Marshes, Tottenham Hackney Marshes, Walthamstow Wetlands and Queen Elizabeth Olympic Park.

Quirky pop-up stores, music festivals, studios, darned-tasty restaurants and a surprisingly large concentration of trendy micro-breweries – not to mention a whole gallery of William Morris arts and crafts awesomeness – make this a part of London where you'll never be bored. No wonder it was voted the London Mayor's first ever Borough of Culture back in 2019.

You'll have cafés and a cinema within an easy walk of your front door and the opportunity to sample cuisines from every corner of the globe. Make sure to check out The Crate. It's a great place to meet up with friends, try a new restaurant or simply hang out. When it comes to shopping, it's choices, choices, choices. You'll have everything from open-air stalls and an antiques market to a modern shopping mall.

YOUR PLATFORM TO TRAVEL

If you're heading into the West End for the latest exhibition, checking out the latest restaurant opening, off to the big match or planning a night out clubbing in Shoreditch, the best of London is within easy reach. In fact, many of the capital's best bits are a quick tube or train ride away. For world class sports facilities – and world class shopping too – you don't have to travel any further than Stratford.

Then, when you want to escape the city streets, it's easy to find peace and quiet in East Anglia. From the charming Essex countryside to the peace and quiet of the Norfolk Broads, from delightful little villages to traditional seaside resorts, there's always somewhere new to explore.

ALL ABOARD

These days the Jazz Railway has been replaced with regular services from St James Street station that whisk you into Liverpool Street in under twenty minutes. The station, and the adjacent bus station, are just a few minutes from your front door.

Or you could walk a few minutes further in the other direction and connect with the Victoria Line at Walthamstow Central. From here you have direct access to King's Cross, Oxford Circus and Victoria.

This is a part of London well served with cycle routes and it also gives you excellent road connections via the North Circular to all parts of London and the national motorway network. For travelling abroad, you can link up easily with the Eurostar terminal at St Pancras, London City airport and Stansted, via the M11.

TRAIN

St James Street Station is just round the corner of the Jazz Yard E17 providing quick and easy travel connections north and south of Walthamstow and fast travel times into London Liverpool Street.

TUBE
